This course was delivered in 2019. Use A-Z Courses to find the current version (if available).

Through this program, the University of Tasmania enriches the educational opportunities for high-achieving learners and develops links between the University, the learners and their schools and colleges

As well as providing learners with academic challenge and the change to experience University life, the High Achiever Program offers a number of other benefits including: Subsidised course costs; Credit towards a UTAS Degree; Counting units towards the ATAR; Access to facilities and support services.
