

QUALITY ASSURANCE MEETING

LEGAL STUDIES – FOUNDATION LEVEL 2, LST215117

Quality Assurance Method (as stated in the accredited course document):

Each provider will submit bodies of learners' work sufficient to allow an assessment against a nominated criterion or range of nominated criteria and the overall award to an annual review meeting organised by TASC.

The body of work will include at least one of the work requirement reports.

The body of work, while not necessarily fully resolved, will be assessed by the provider against the nominated assessment criterion/ia and the overall award. TASC will give each provider guidance regarding the selection of learners and the nominated criterion/ia.

Each body of learner work that providers submit to the meeting will include sufficient and appropriate material for judgements to be made about the learner's standard of literacy skills.

The review meeting will give advice about the provider's assessment standards. Providers are expected to act on this advice.

TASC may require providers to supply further samples of individual learners' work to determine that standards have been applied appropriately when finalising learners' results. The nature and scope of this requirement will be risk-based.

Quality Assurance Requirements:

Each provider will submit **four (4)** bodies of student work (copies rather than originals where possible).

The bodies of work to be submitted to the meeting will represent the "lowest" available at an overall standard of Satisfactory Achievement (SA).

Each body of work will comprise learner responses to each of the two (2) minimum Work Requirements for Units 1 and Unit 2 and Unit 3 (six (6) responses in total in each of the four bodies of work. See Work Requirements in the course document for details, noting printed multimodal work is required if used for the second of each Unit's Work Requirements).

Each body of work will be of a size/scope that can be assessed (not corrected or marked) in a reasonable amount of time (e.g. no more than 15 minutes per body of work).

In its totality the body of work will supply sufficient evidence for:

- assessment against the nominated criteria on the Record Sheets
- judgements to be made about the learner's standard of literacy skills.

Record sheets for this course are provided below. These must be printed by the provider, completed as indicated, and attached to the bodies of student work. General information regarding the nature of bodies of student work and completion of record sheets is available via the website page:

<https://www.tasc.tas.gov.au/providers/quality-assurance/quality-assurance-meetings-2/>

The bodies of student work and associated Record Sheets must be brought to the meeting by an appropriate teacher who will participate in the quality assurance process.

Providers are responsible for costs associated with the provision of materials and teacher attendance at the quality assurance meeting.
