

TASC advice *The Arts* [as of 13 May 2020]

Media Production Foundations Level 2 (MED215117)

TASC, with a focus on honouring the nature and intention of **The Arts**, also recognises the extraordinary circumstances facing learners and teachers in 2020. Due to these extraordinary circumstances TASC has made the following necessary considerations for 2020 [only].

Recognising that access to different technologies is fundamental if students are to demonstrate their learning in Media Production Foundations, the course content remains even though students may not be able to provide evidence of their learning in the traditional means of engagement with technologies as traditionally defined. These considerations are intended to give teachers maximum flexibility to help students provide evidence of their learning.

After consultation with the community of teachers of **The Arts – Media Production Foundations Level 2 (MED215117)** the following course content considerations have been made for 2020 [only]:
