

TASC advice *Health and Physical Education* [as of 11 May 2020]

Athlete Development Level 2 (ATH215118)

TASC, with a focus on honouring the nature and intention of **Health and Physical Education**, also recognises the extraordinary circumstances facing learners and teachers in 2020.

Recognising that the student engages with both a teacher and specialist coach/es and may work in group/team scenarios, considerations acknowledge the impact of interruptions to learning centred on competition and group training.

After consultation with the community of teachers of Health and Physical Education – *Athlete Development Level 2 (ATH215118)* the following recommendations have been made for 2020 [only]:
