Learning Through Internship Level 2 (LT1215117)

TASC, with a focus on honouring the nature and intention of the Mixed Field learning area, also recognises the extraordinary circumstances facing learners and teachers in 2020.

Recognising that undertaking Internship(s) is fundamental to the nature of Learning Through Internship, the course content remains even though students may not be able to provide evidence of their learning through engagement with physical workplaces for their internship(s). Teachers are encouraged to use maximum flexibility in 2020 to help students provide evidence of their learning.

After consultation with the community of teachers of Mixed Field – *Learning Through Internship* Level 2 (LT1215117), TASC makes the following recommendations:

<i>Learning Through Internship</i> Level 2 (LT1215117)	
Course content: Unit 2- Internships and projects	<p><i>Scenario A - Medium term Return to school environment mid/end of July</i></p> <p><i>Alternative approaches to teaching and learning are required to deliver course requirements. No specific 2020 considerations have been applied to this course.</i></p> <p>Course content Unit 2 Internships and projects</p> <p>Schools should consider whether any current plans for internship placements during Term 2 are feasible.</p> <p>In some cases deferring the internship component may be required, in other cases some technology-mediated internship may be possible as an interim measure.</p>
