

2020 TASC COURSE SCALING INFORMATION

This table provides the finalised course score range for each award for 2020.

As some fluctuation from year to year is expected, this table should not be used to try to predict scaling outcomes in future years.

NOTE: To protect student privacy, courses that were completed by fewer than ten students are not included in the TASC Course Scaling Information table.

For further information see [Understanding the ATAR: calculating the Australian Tertiary Admissions Rank \(ATAR\) for senior secondary students in Tasmania](#)

Min - Max: the range of course tertiary entrance scores for a given award for the course.

Nos: the numbers of students obtaining that award for the course.
