

## 2021 TASC COURSE SCALING INFORMATION

This table provides the finalised course score range for each award for 2021. As some fluctuation from year to year is expected, this table should not be used to try to predict scaling outcomes in future years.

### TABLE NOTES:

- To protect student privacy, courses that were completed by fewer than ten students are not included in the table.
- For further information about course scaling, see [Understanding the ATAR](#)
- **Min – Max:** the range of tertiary entrance scores for a given award for the course.
- **N°:** the number of students obtaining that award for the course.
