2022 Written exam schedule changes

Only complete this request form if one (or more) of the following applies to your 2022 written exam schedule:

- 2 exams on the same day and have approved reasonable **adjustments** (RA) of additional time/rest breaks
- 3 exams back to back.

Once you have submitted the **request** form, TASC will review your written exam schedule and where possible make **adjustments** if any of the above circumstances applies.

Exam schedule adjustments for eligible students

Who's eligible:

Students with RA (extra time) – two exams in one day

Students with three back-to-back exams

What has been communicated:

Eligible students have been emailed.

Link to online application provided in email

TLOs have been provided with a spreadsheet of eligible students

TLO cc'd into email to students

Actions:

Email provided to
eligible students:

Good Afternoon,

TASC has identified that you may require an adjustment to your [2022 written exam schedule](#) due to one of the following:

- you have 2 exams on the same day and have reasonable adjustments for additional time or rest breaks
- you have 3 exams back-to-back

If you would like TASC to review your written exam schedule due to these circumstances, please complete the [Request to adjust written exam schedule online form](#) by **Thursday 22 September 2022**. If you would prefer to keep your written exam schedule as it is, there is no need to complete the form.

Please note there may be some instances where we may not be able to make an adjustment to your schedule. However, we will contact you to discuss and ensure we have explored every option possible to accommodate your circumstances.

Please contact us via email or call 61656000 if you have any questions, alternatively we have included your school TASC Liaison Officer (TLO) in this email if you would like to discuss your exam schedule with them first.

Exam Centre Changes

TRACS TASK/Communication to schools where:

- students are enrolled in courses at another school
- your school is not an exam centre.

Complete the spreadsheet and return to TASC via same TRACS task

Exam centre changes must be finalised by end of September

Reminder – Student Declarations

Due Friday 2 September

- Online Student Declaration
 - Two staged process – registration and email verification
- Personal email is the best option
- A process exists if a student cannot make a declaration
 - Good idea to register an email address as any results will still be emailed to this student and/or their guardian

STUDENT DECLARATION

Reminder - Tasmanian Certificate of Educational Achievement (TCEA)

Deadline

The deadline for uploading the Descriptive Text to TRACS is **28 October 2022**.

Please check TRACS regularly so that you receive TCEA communications (including revision requests) in a timely manner.

Taking time to edit the Text in line with the TCEA Guidelines and Writing Conventions documentation before submission will minimise the likelihood that TASC will request revisions.

REMINDER:

Recognition – Everyday Adult Standard: Use of computers and the internet

- Participation and Achievement Standard – 120 credit points (with at least 80 credit points in studies at Level 2 or higher)
- Everyday Adult Standard: Reading, Writing and Communication (in English)
- Everyday Adult Standard: Mathematics.

ACTIONS

1. Assess Year 12 students' progress towards the TCE
2. Register a student for the online test by Friday 12 August
3. Submit completed **Principal Declaration via TRACS**
4. Provide an opportunity for Year 12 students to complete a test in Term 4 or before March 2023 if they fall off track for their TCE

USE EVERYDAY ADULT STANDARD: COMPUTERS AND THE INTERNET

TRANSITIONAL ARRANGEMENTS FOR 2021 TO 2023

At the end of Year 12, students (currently in Year 10, 11 and 12 in 2021), will have an additional way to achieve the Everyday Adult Standard – Use of Computers and the Internet.

There will be three ways to achieve this standard:

- Gaining a *Satisfactory Achievement* (or higher) in one of the 16 TASC courses that have the Computers and Internet Standard included in the course.
- Having passed the Use of Computers and the Internet Standard safety net test.
- **NEW** – Receiving recognition of use of computers and the internet as part of the achievement of the other three TCE standards:
 - Participation and Achievement Standard – 120 credit points (with at least 80 credit points in studies at Level 2 or higher).
 - Everyday Adult Standard: Reading, Writing and Communication (in English)
 - Everyday Adult Standard: Mathematics.

How will the NEW recognition happen?

This new temporary process starts this year and applies until the current Computers and Internet Standard is replaced with a Digital Literacy Standard, in line with the national [Digital Literacies Skills Framework](#).

Your school will be asked to report to TASC that you have had the opportunity to learn the required skills and knowledge, and that they endorse you have met the standard through your two years of learning.

If you meet all the other Tasmanian Certificate of Education (TCE) standards, you will also achieve the Everyday Adult Standard – Use of Computers and the Internet.
