

TASMANIAN ASSESSMENT, STANDARDS AND CERTIFICATION 2024

Tasmanian Assessment, Standards and Certification is responsible for the development of appropriate standards, the accreditation of courses, and the assessment and certification of student achievement in senior secondary learning across all educational sectors in Tasmania. TASC's 2024–25 Corporate Plan is under development by the recently constituted [TASC Board](#).

Our Purpose

To provide relevant, high-quality certification that supports all learners through senior secondary education and life beyond.

Our Goals

GOAL 1 Provide qualifications that are meaningful and relevant.

GOAL 2 Establish trusted governance and regulatory practices.

GOAL 3 To continuously improve the delivery and assessment of contemporary senior secondary learning.

Our Strategic Policies

- Support the changes resulting from the *Education Legislation Amendments (Education Regulation) Act 2022* – Goal 2
- Continuously improve our assessment, accreditation, recognition, quality assurance and certification practices – Goal 1 & 3
- Build more effective communication practices and foster stakeholder relationships – Goal 2
- Apply the revised Senior Secondary Accreditation Framework to accredit contemporary and evolutionary courses – Goal 1 & 3
