

TCE Achievement Checklist

What is the TCE?

The [Tasmanian Certificate of Education](#) (TCE) recognises skills and capabilities demonstrated at a senior secondary level. The certificate certifies that you have:

- completed a minimum of two years of further education and training after Year 10
- met the Participation and Achievement Standard by completing a combination of study options to attain sufficient TCE credit points
- demonstrated the three Everyday Adult Standards.

✂ Students need to achieve the TCE at the end of their senior secondary education to be potentially eligible to receive an Australian Tertiary Admission Rank (ATAR) for [university entrance](#).

Planning to achieve the TCE

Use this checklist as part of planning your senior secondary studies to ensure you are on track to achieve the TCE.
