

QUALITY ASSURANCE

QUICK LINKS INFORMATION SHEET

TASC have a focus on supporting provider schools in their continuous improvement of course delivery and assessment. This Information Sheet is designed as a one-page quick access reference to support teachers and schools with TASC quality assurance (QA) processes.

TASC's QA mechanisms include audits and regional workshops. Additionally, every September there are QA meetings held in the northern, north-western and southern regions in Tasmania.

TASC has developed [tools](#) to assist schools and teachers to understand the QA processes and requirements.

Overview of TASC QA processes

- [Link](#) to information about how QA meetings 'fit into' the wider QA mechanisms of [regional workshops](#), desktop audits and on-site [audits](#).

QA Meetings - September

- [Link](#) to the TASC QA meeting webpage that includes current year timetables and registration information. This webpage also has individual links to the *course-specific* meeting requirements for each of the courses that will have a QA meeting.

QA Meeting Information Kit

- [Link](#) to a comprehensive 'Information Kit' that includes details of the *what, why, when, who, and how* of this year's quality assurance meetings.

QA Meeting Preparation Overview

- [Link](#) to a poster-style overview of the meeting process and what to do to prepare.

Focus Areas by Term

- [Link](#) to an overview of what schools need to be thinking about and actioning on a term-by-term basis.
