SDD315120	Drama	Monday, 8 December 2025	11:30 am	Claremont College

KEY INFORMATION FOR PANEL MEMBERS

- The Assessment and Discrepancy Panel schedule is carefully planned to allow sufficient time for finalising and entering student results into TRACS before each meeting. Courses with larger student numbers are scheduled later to accommodate the additional workload.
- Due to the logistical and resourcing considerations involved in creating this schedule, meeting dates **cannot** be changed on request.
- Please **do not** arrive more than 15 minutes before your scheduled meeting time. Staff may not be available to assist you, your meeting space may not yet be ready, and support for early starts or queries cannot be guaranteed.
- Please bring your own device, as access to TRACS is required for resulting processes undertaken during the panel meetings.

TASC ASSESSMENT AND DISCREPANCY PANEL SCHEDULE 2025

TASC exam processing and Assessment panels will be held at Claremont College Campus this year.

Please **do not** go to the College administration for any TASC-related deliveries or meetings. Instead, if you have trouble finding us, feel free to call one of the Assessment phones:

- 0437 344 598
- 0448 144 663

Please note: These phones should not be used during the exam period (11–21 November) unless it is related to a delivery, supervision, or if TASC staff have specifically requested a call.

Assessment Panels will be split between the two buildings labelled 'TASC' on the map. TASC staff will be there to direct you on the day.
