Your 2025 exams & assessments

External assessment – did you know?

- Level 3 and Level 4 courses have both internal and external assessment. External assessment comes in many forms. It could be a written or oral exam, a practical assessment (a performance or display) and/or a folio.
- Your classroom teacher conducts your *internal* assessment throughout the year. Your teacher will provide you with your final internal assessment ratings before submitting them to TASC.
- TASC administers the *external* assessment and employs expert Markers, who are current and previous teachers of the course.
- The largest proportion of your overall course award is from the internal assessment by your classroom teacher, not from the external assessment.
- Your external assessment only assesses your achievement in some of the course criteria, not everything you learned throughout the year.
- How you are assessed is set out in the Course document. You can see the Course documents at tasc.tas.gov.au/students/courses.

Setting yourself up for success

Your teachers and TASC (and of course you) want you to be ready to perform your best and fully demonstrate what you have learnt when you sit your end-of-year exams.

Talk with your teachers about preparing for your external assessments, and your strengths and areas to improve. Your teachers help students get ready for their exams every year and can provide expert advice. Read through this Exam Guide so you know what to expect, what personal supplies to bring and the exam rules.

The TASC website also provides lots of information about preparing for exams, see tasc.tas.gov.au/students/years-11-and-12/preparing-for-exams. Information includes study tips, how to access past exam papers for revision and how to answer different types of exam questions, including if you think there is an error.

Check out these key sections of the Guide:

External assessment rules and conduct (page 4 and 9)

These pages outline how to behave during external assessments and the rules you must follow.

Tips for staying CALM during exams (page 5)

Almost everyone will feel some nervousness about sitting an exam, and these tips will help you to stay in a positive headspace. Reach out to your teachers, others at your school, and family and friends if you feel it's too much. See our web resources about *Managing exam stress* for help with handling these very normal feelings, so you can show what you have learnt with confidence.

What to do if you can't attend an exam due to illness or an emergency (page 6-8)

Read these pages carefully so you understand the derived exam ratings application steps and timeframes you'll need to follow if illness or an emergency prevents you attending an exam.

External assessment timetables (page 12-15)

Double check the dates/times for your assessments and remember to arrive at least 15 minutes early, so you can receive instructions and start on time.

Preparing for your exam

TASC's website provides advice about preparing for exams and answering written exam questions. This includes explaining the type of response you need to provide to receive any marks and how you should respond if you think there is an error in the exam material. See tasc.tas.gov.au/students/years-11-and-12/preparing-for-exams/written-exams-answers-and-marking.

How do I know where to go for my exams?

NOTICE OF EXTERNAL ASSESSMENT:

You will receive a *Notice of External Assessment* (NoE), sometimes called a 'pink slip' (printed on pink paper), from your school in mid-October with information about where you will sit your exams. Usually, you will sit exams at your school or another exam centre nearby.

You must bring your NoE to every exam. If you misplace your NoE, contact your school immediately to have another one printed.

TASC ID:

Your TASC ID and your exam papers will be on your allocated desk for each written exam. You are given a TASC ID when you register with TASC. Your TASC ID will have two numbers, one letter, followed by five numbers. For example, 16K18367.

Your TASC ID is the only identification which is allowed on your external assessment material. Your name or school name must not appear on any exam paper, folio, display or other work you submit for external assessment.

What should I take into my exam?

- ✔ **Your NoE:** You must take your NoE with you to all your exams. This notice shows the exams you are registered to complete and your TASC ID.
- ✔ **Writing equipment in a clear, sealable plastic bag or clear pencil case:** You must bring your own writing tools such as black or blue pens (erasable pens are not advised), 2B pencils, sharpener and eraser/rubber, highlighters and a clear plastic ruler.
- ✔ **Water:** You may bring plain water only in a clear plastic bottle (no label) with a 1500 ml maximum capacity. You cannot refill your water bottle during the exam, share it with others, or have any other type of drink.
- ✔ **Calculators:** You may bring TASC-approved calculators into exams – check the types of calculators allowed in the *Calculator Use in External Exams – Rules and Requirements* on the TASC website.

- ✔ **Dictionaries:** Dictionaries cannot be annotated or highlighted in any way, including using stickers to mark a place. You may bring any/all of the following printed dictionaries into your exam for any course:

- a standard English dictionary/thesaurus
- an English to other language dictionary/thesaurus
- an other language to English dictionary/thesaurus.

- ✔ **Watch:** You may bring a basic analogue watch (not a 'smart', programmable or computerised watch) into your exam. You must remove the watch and place it at the top of the desk where it can be clearly seen by the Exam Supervisor.

- ✔ **Medication:** You may bring an asthma inhaler in a clear zip-lock bag labelled with your name and TASC ID. Hand this to the Exam Supervisor before the exam starts.

What can't I take into my exam?

Penalties apply if you don't follow the External Assessment Rules (see pages 9–10, including the list of items not allowed at rule 1.4.1).

- ✗ Electronic devices, including mobile phones, that are capable of storing, receiving, recording or transmitting information or electronic signals, such as recorded music and video players, organisers, electronic dictionaries and computerised watches or any other similar devices.
- ✗ Any food or drinks (other than water) unless expressly given permission by TASC through the Reasonable Adjustments process.
- ✗ Any loose notes, Formula Sheets, course Information Sheets, papers, manuscripts, books, reference materials or notebooks unless their use during the exam has been permitted.
- ✗ Bags including pencil cases or pencil bags – pens and pencils must be in a clear sealable plastic bag or clear pencil case.
- ✗ Correction pens, bottles or tape (such as Whiteout or Liquid Paper).
- ✗ Any other item that is not approved for that external assessment.

You must turn off and leave items you are not allowed to have during your exam in the area provided.

Exam Supervisors have the right to check any material brought into the exam room and remove any unauthorised material.

Exam conduct

How do I behave in my exam?

- Respect your fellow students.
- Listen to and follow the instructions of the Exam Supervisor.
- Sit at the desk allocated to you. You cannot leave the exam room during the first hour or last half hour of the scheduled writing time in a written exam.
- Do not communicate with any other candidate once you have entered the room and taken your seat.
- Use the extra 15 minutes allocated as preparation time to read the exam paper, highlight key information and make notes – do not start writing answers until the supervisor tells you that the 3 or 2 hours of working time has started.
- Start and stop writing when you are told to. Only write information you want to be assessed on using the space provided for your answers.
- If you have a question or need anything, raise your hand and wait for help.
- Leave all exam materials behind at the end of the exam. All exam material is retained for exam integrity or other accountability purposes.

How do I show academic integrity?

Academic integrity applies to all your external assessments, including folios, written exams, practical, oral and displays.

All senior secondary students are expected to undertake their studies in a way that is honest and fair.

This means that:

- all work you submit for marking must be your own work
- you must acknowledge where you have borrowed or used someone else's work
- you must not help other people to be dishonest, for example, by giving them your answers or your essay for them to copy.

You must maintain and participate in behaviours that support academic integrity, including following the External Assessment Rules (on pages 9–10). The [Academic Integrity Guide for Students](#) (on the TASC website) provides information about the different forms of academic dishonesty and answers to frequently asked questions. [Types of Academic Dishonesty: A \(Cartoon\) Guide for Students](#) illustrates how to avoid academic dishonesty with various scenarios.

What happens if I breach the exam rules?

Any suspected breach of the External Assessment Rules is investigated by TASC. If you are suspected of a breach, TASC will contact you and provide guidance on the next steps, as well as notifying your school so they can offer you support. You will have the opportunity to provide information, if you wish to do so. Potential penalties that may be applied will be considered by TASC's Conduct Review Committee. Breaching TASC's exam rules may result in the following penalties:

- a formal warning
- being removed from the exam room and not given further time to complete the exam
- confiscation of prohibited item/s brought into the exam room
- cancellation of exam ratings for all students involved
- cancellation of that course's results for all students involved
- cancellation of all results for the year (both internally and externally assessed subjects)
- illegal actions being reported to the police.

For more information about possible consequences for breaching the exam rules, including the rules for folios, see tasc.tas.gov.au/students/years-11-and-12/preparing-for-exams/rules.

You can appeal the penalty on the grounds that a breach did not occur, or if the procedures used to determine if a breach occurred were inappropriate.

Tips for staying calm during exams

C = Get Comfy

C

- You're going to be sitting at your allocated desk for a while so get as comfortable as you can. Being comfortable helps you focus on the exam, rather than how your body feels.
- Set out the supplies for your exam on the desk in your preferred order and how you usually work.
- Wear layers of comfortable clothing so you can adjust

to suit the temperature of the room. Wearing a zip-up hoodie over a t-shirt can keep you from getting too cold or too hot.

- Try to loosen up as being physically tense will not help you feel better. Try to relax your arms, hands and fingers, and feet and toes. Breathe – use a few slow deep breaths or your favourite breathing exercises to unwind.

A = Adjust your mindset

A

- Now is the time to become your biggest cheerleader. Go you!
- Use positive self-talk. It's very easy when you're stressed to think negative thoughts, but these don't help you focus. Instead, make a conscious effort to think positively about your abilities and the experience of sitting an exam.
- Banish thoughts of regret or doubt. Even a simple

'I can do it!' can make a big difference to your confidence. There may be a lot of questions, but you are here to take them on one-by-one, and you will make it through.

- It might help you to visualise getting through the paper. For instance, imagine the exam paper is a thick jungle, and you are pushing your way through it, question by question.

L = Line it up

L

- Now you are comfortable, relaxed and in a positive frame of mind, you can plan your approach to the exam.
- When the 15 minutes of preparation time starts, write down any information you are worried about forgetting on the notes paper provided. This could be formulas, definitions, or things to jog your memory. Once you have it written down you can come back to it as you need it.
- Read the whole exam paper and every instruction thoroughly. It's vital that you understand exactly what's being asked of you. If you can choose from a few questions, choose the questions you are most confident in and that cover content you know best or most enjoy.

- Plan what order you'll tackle the questions in. Number, highlight or circle the questions you plan to answer. Tackle the *easiest* questions first. This builds your confidence and ensures you have a base level of marks before you start dealing with the trickier questions, which may take longer to complete.
- If you have an essay, make a very quick essay plan before you start. Outline a rough structure and the areas you want to cover. This helps you to use your time effectively by only including relevant material, as concisely as possible. Don't forget to include an introduction and a conclusion that pulls everything together.

M = Manage your time

M

- You're working your way through the paper as you planned but make sure to monitor time and maximise the marks you can get for your answers.
- Make sure you are answering the actual question. Don't forget to pay attention to instructions such as 'analyse', 'examine' or 'compare and contrast' and ensure you do as instructed.
- Closely monitor time. The 'Guide to the exam structure' on the inside cover of your exam paper has a suggested working time. Roughly, you should spend about one minute a mark when answering a question

(this includes time thinking). If you are running out of time, jot down bullet points of your ideas; you may be able to accrue some partial marks.

- If you get stuck... try tackling a different question and then go back to the one you were stuck on. Focusing on something else for a bit should help clear your mental block and leave you with fresh inspiration for the problem question.
- Check every page of your exam booklet and make sure you have answered every question you need to.

AFTER THE EXAM: Congratulate yourself on doing so well! The exam is over – celebrate that! Good job!!

What if I can't attend an exam?

Medical certificates

See the two-step process to apply for derived exam ratings on page 7. Both steps must be completed for the application to be accepted.

IF YOU'RE SICK* AND CAN'T ATTEND AN EXAM

(*sick for any reason):

1. Tell your school the reason you can't attend the exam.
2. Immediately arrange an appointment with a GP (in-person or telehealth). The appointment should be the same day as your exam. If this isn't possible, it should be **no more than seven days before OR two business days after the exam**.
3. Complete the **online** *Derived Exam Rating Application and Consent form* for students.
4. Provide the *TASC Medical Certificate* (on page 8) to the GP to complete. The GP needs to provide TASC with the completed form by email or by mail within three days of the appointment.
5. TASC will advise you by email if your certificate has been accepted and you will receive derived results.

IF YOU BECOME SICK DURING AN EXAM:

1. Tell the Exam Supervisor that you are unwell and need to leave the exam. The Exam Supervisor must record your name and the time for TASC to accept a medical certificate and provide derived results for an exam that you attended.
2. Immediately arrange an appointment with a GP (in-person or telehealth). The appointment should be the **same day as your exam (or no more than two business days after the exam)**.
3. Complete the **online** *Derived Exam Rating Application and Consent form* for students.
4. Provide the *TASC Medical Certificate* (on page 8) to the GP to complete. The GP needs to provide TASC with the completed form by email or by mail within three days of the appointment.
5. TASC will advise you by email if your certificate has been accepted and you will receive derived results.

Be Aware: *If you feel unwell during your exam, you must inform the Exam Supervisor so that this can be documented on the Supervision Report Form (as listed at step 1 above). If it is not recorded that you are unwell, TASC may not accept a request for derived exam ratings for that exam.*

IF YOU CAN'T ATTEND AN EXAM FOR ANOTHER REASON, INCLUDING IF YOU EXPERIENCE AN EMERGENCY:

1. Tell your school the reason you can't attend the exam.
2. Write to the Deputy Director, TASC at deputydirector@tasc.tas.gov.au on the **same day as your exam (or no more than two business days after the exam)** to apply for an emergency special arrangement. You must detail the reasons for your absence, and provide supporting evidence as outlined in the application checklist on the TASC website at [Illness & emergency during exams](#).
3. TASC will advise you by email if your application has been accepted and you will receive derived results.

HOW ARE MY RESULTS CALCULATED IF I CAN'T ATTEND MY EXAM?

Derived exam ratings will be applied to determine your results if it is accepted that you are sick or experience an emergency and can't attend your exam (either in whole or in part).

Derived exam ratings are only available if you are experiencing unfortunate and unplanned circumstances, such as being sick, an emergency or other exceptional unexpected circumstances.

A family holiday / travel is **not** an accepted reason for not attending an exam and is not eligible for derived exam ratings. You are expected to have plans in place to attend exams as they are a necessary part of your assessment for the course.

The process to determine a derived exam rating is designed to ensure you receive a fair and equitable course result. It is based on your internal assessments during the year and then determined by the exam performance of other students in your course who have performed at a similar level in their internal assessments.

How to apply for derived exam ratings

Complete BOTH steps to apply for derived exam ratings for an exam if you are not able to attend/complete your exam due to medical reasons:

1. Complete the online *Derived Exam Rating Application and Consent form* for students.
Use the below QR Code to go to the TASC webpage 'Illness & emergency during exams' and complete the online application form.
2. Have an appointment for a *TASC Medical Certificate* to be completed by a medical practitioner (a registered GP, paediatrician or a hospital doctor only).
The appointment must be **no more than seven days before OR two business days after the exam.**

Your medical practitioner can complete the:

- printed form on the next page, OR
- use the below QR Code to go to a fillable PDF form on the TASC webpage 'Illness & emergency during exams'.

The medical practitioner must submit the form directly to TASC within three days of your appointment by:

- email to results@tasc.tas.gov.au OR
- mail to TASC Results (Medical Certificate),
GPO Box 333, HOBART TAS 7000.

The *TASC Medical Certificate/s* submitted by the medical practitioner must have the same dates of illness or incapacity as the dates of the exams you have specified in your *Derived Exam Rating Application and Consent form* for you to be eligible for derived exam ratings.

Only the official TASC Medical Certificate will be accepted as it includes all information required by TASC to make a decision about deriving your exam results (see 'How are my results calculated if I can't attend my exam?'). Other types of medical certificate or unfit for duties certificates will not be accepted.

TASC will email you to confirm we have received a *TASC Medical Certificate*. If you don't receive an email within one week of your medical appointment, contact the medical practitioner or TASC to confirm the form was submitted/received.

If you are having difficulties applying for derived exam ratings, please contact TASC so we are aware of your situation and can help advise you.

HOW IS AN AUSTRALIAN TERTIARY ADMISSION RANK (ATAR) USED?

An ATAR is one of many ways to enter university, with entry requirements varying by course and by university.

In Tasmania, the Tertiary Admissions Centre (TAC) is the University of Tasmania. The TAC sets the requirements to achieve an ATAR. Not all Year 12/13 school leavers will receive an ATAR.

To be eligible for an ATAR in Tasmania in 2025, you must complete two years of post-Year 10 study:

- achieving the TCE, and
- an overall award of Satisfactory Achievement (or higher) in at least four TASC Level 3 or 4 courses* (or equivalent, including HAP and/or UCP courses).

If you are a Year 12 or Year 13 student who is eligible for an ATAR, you will receive your Tertiary Entrance Score and ATAR with your TCE and other results.

See the [Understanding the ATAR: Student Factsheet](#) on the TASC website for more information about ATAR eligibility. Information about university entrance is available on the University of Tasmania's website at www.utas.edu.au.

*The TAC made a change to the ATAR calculation process for 2025 onwards. The change removes the requirement for three of the results to be from the final year of study. This is a fairer approach as the timing of the best results is less important.
