

TASC EXAM INSTRUCTIONS FOR STUDENTS

1. If you need help, raise your hand and wait quietly for a Supervisor.
2. If you think a question has an error or is unclear, tell a Supervisor and write a response showing how you understood the question.
3. Do not spend more time on a question than its mark allocation or suggested time indicates.
4. If you feel unwell, tell a Supervisor immediately. This will be recorded and referenced if you apply for a derived exam rating.
5. Stay calm and take a deep breath – you’ve got this!
